## BAPTIST CAMPAIGN IN MIDST OF LABORS

TO RAISE SEVENTY-FIVE  
MILLION DOLLARS.

Tentative Budget Announced  
by Foreign Mission  
Board.

Nashville, Nov. 1.—(Special.)—While the commission representing the Baptist \$75,000,000 campaign, now touring Europe to recommend where and how the campaign can aid most effectively the economic, social and spiritual reconstruction of that continent, is still in the midst of its labors, the work has proceeded far enough to justify the belief that the work of the Southern Baptist convention in Europe hereafter will probably be conducted from four great centers, Paris, Rome, Prague and some strategic city in Russia yet to be designated. This program is not final, but looks up as a large possibility, according to announcement by Dr. T. B. Ray, associate secretary of the foreign mission board and survey director of the \$75,000,000 campaign.

A preliminary survey of the European mission fields that are to be occupied under the enlarged program made possible by the campaign, calls for the early expenditure of \$2,775,450 in additional property on that continent, while the investment in additional missionaries, doctors, nurses, teachers, social workers and other Christian helpers, will be considerable.

An exact budget on all expenditures, however, will await the return and report of the commission now making a careful first-hand study of all the needier European fields.

As an indication of how the \$25,000,000 apportioned to foreign missions from the Baptist \$75,000,000 campaign will be expended, the following tentative budget has been announced by the foreign mission board: 144 residences for missionaries, \$663,800; land and buildings for fifty-eight churches, \$1,064,850; land, buildings and equipment for 147 schools, \$3,265,875; land, buildings and equipment for twenty hospitals and dispensaries, \$183,600; church building loan fund, \$457,500; six publication houses, \$71,700; extension (opening eighteen new stations) \$457,000; miscellaneous, \$255,175; additional property expenditures in Europe, \$2,775,450.

Practically 500 new missionaries are called for by the foreign mission board. Among these are ninety-three men and thirty-six women for evangelistic work; sixty-four men and sixty-one women for educational work; twenty-seven men and three women for physical and mental health work; and twenty-five men and twenty-five women for social and Christian work.

The building and enlargement fund that will be expended by the foreign mission board will be distributed among the mission fields as follows: Africa, \$223,925; Argentina, \$233,550; North Brazil, \$268,950; South Brazil, \$1,071,100; Chile, \$58,800; Central China, \$776,800; North China, \$631,050; European fields, \$2,775,450; Japan, \$519,000 and Mexico, \$420,000.
